

"A teaspoonful of Dr. Caldwell's Syrup Pepsin each night at bedtime has done me a world of good, as I am 62 years old and was getting badly constipated. I had previously taken a lot of salts and pills without real relief." (From a letter to Dr. Caldwell written by Mr. A. Forester, Princess Anne, Md.)

Constipation is one of the penalties of age that should never be neglected—Dr. Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin that relieves constipation in an easy, natural manner, without gripping or straining, and is as positive in its effect as it is mild and gentle in its action.

Standers, Walkers, "Gets-It" for Corns

World Has Never Known Its Equal.

"What will get rid of my corn?" The answer has been made by millions—the only corn-remover that you can bank on, that's absolutely certain, that makes any corn on earth peel right off like a banana skin—and

Corn-Pain Is Eased—The Corn Is Doomed!

that's magic "Gets-It." Tight shoes and dancing even when you have a corn need not disturb you if you apply a few drops of "Gets-It" on the corn or callus. You want a corn-remover, not a corn-killer. You don't have to fool with corns—you peel them right off with your fingers by using "Gets-It." Cutting makes corns grow and bleed. Why use irritating salves or make a bundle of your toe with tape or bandages? Why putter and still have the corn? Use "Gets-It"—your corn-pain is over, the corn is a "goner" sure as the sun rises.

"Gets-It," the guaranteed, money-back corn-remover, the only sure cure, costs but a trifle at any drug store. Mfg. by E. Lawrence & Co., Chicago, Ill. Sold in Barre and recommended as the world's best corn remedy by Cummins & Lewis—Adv.

BROOKFIELD

The "Fighting Fourth" Liberty loan begins Sept. 28. Are you going to have a Liberty bond to show the boys when they come home? Are you a fighter or a slacker? Any intelligent person knows the United States does not ask us to mortgage our homes or sell our cows to buy bonds—but the United States does

expect us to make our idle dollars fighting dollars. We are not asked to give them, only to loan them. Our boys are giving their lives. What are you giving? The services of three patriotic women—The Women's Liberty loan has secured Mrs. W. Colt, Mrs. T. Blair and Mrs. L. A. Hood. These women are working for the government just as much as any government official who gets big pay. They are giving their time. Their only

reward is the satisfaction of having done their duty. Will you do yours?
